“Democracy is not a prophecy. It is self actuating. We must choose every day to continue this grand experiment, to accept the duty our forbearers entrusted to us. May God bless our State, may God bless our democracy, and may God bless the United States of America.”

Historically, the leadership of our nation has turned to God for strength and guidance. It is in this spiritual tradition that we hold the Governor’s Prayer Breakfast. Participants are laypeople representing the leadership of our community. In a busy and troubled world, attendance at this inspiring prayer breakfast demonstrates our dedication to God and our faith in His plan and purpose for each one of us.

Over the years, the National Prayer Breakfast gathering in Washington, D.C., has proved a continuing influence throughout the world by recognizing publicly the privileges and responsibilities of a nation under God. Because of the impact of the National Prayer Breakfast throughout America and the world, many cities, states, and countries are making it possible for the leadership on the local level to get together to develop the cause of a spiritual awakening through prayer.

In keeping with the foregoing ideals, the Christian Courier Newspaper, with the cooperation of other interested community leaders, sponsors this Governor’s Prayer Breakfast.

*“Let not mercy and truth forsake you.
Bind them around your neck,
Write them on the tablet of your heart,
And so find favor and high esteem
In the sight of God and man.
Trust in the Lord with all your heart,
And lean not on your own understanding.
In all your ways acknowledge Him,
And He shall direct your paths.”*
– King Solomon, Proverbs 3:3-6

“In regard to this Great Book (the Holy Bible), I have but to say, it is the best gift God has given to man. But for it, we could not know right from wrong.”
– Abraham Lincoln

“But all of us – at home, at war, wherever we may be – are within reach of God’s love and power. We all can pray. We all should pray. We should ask the fulfillment of God’s will. We should ask for courage, wisdom, for the quietness of soul which comes alone to them who place their lives in His hands.”
– Harry S Truman
